Dear Parents/Carers,

From time to time we send letters to inform you of children in school who have allergies. At present, we have a few children who have quite severe nut allergies.

If at all possible, we would like to ask that children who have packed lunches are not given peanut butter sandwiches.

It would also help if your child has anything such as crunchy nut corn flakes, peanut butter on toast etc before coming to school, that you check they have washed their hands and face to remove any traces.

Thank you for your co-operation.

Yours sincerely,

Sharon Flowers
