Meeting individual needs...to the best of our ability.

27th September 2019

Dear Parents,

We usually have pizza or fish fingers and chips on a Friday lunchtime - a favourite with many of the children. We will be doing this on **Thursday 3rd October**. This is because it is also census day. We are given a set amount of funding for school meals taken up by Reception & KS1 under the government Universal Free School Meals initiative, and if our numbers are low on Thursday 3rd October, we then lose some of this funding. If you know your child enjoys pizza or fish fingers and chips they will be able to have a one off lunch – and if they like it many of you will already know that they can continue to have it every Friday.

If you would like to book this meal for Thursday, please fill in the slip below.

Yours sincerely,

Sharon Flowers
