Meeting individual needs...to the best of our ability.

27th June, 2019

Dear Parents,

You will shortly be receiving the letter we send out every year inviting you in to come in and watch a video which we show to your children. This is a normal part of our PSHE programme. There is always an opportunity to ask questions so that you are clear about the content.

I am sure you will be aware that from September 2020 there will be the introduction of Relationships and Sex Education. As a school we will be arranging a meeting for parents interested in finding out more and what, if any, changes there may be from September 2020. Many of you will know Teyba Shah, one of our governors who will be leading on this, working closely with staff and interested parents.

In the meantime, there will be no changes to what we have done every year and is part of what Luton Local Authority have approved, with many schools doing the same. Please be reassured that it is our intention to work closely together so that the views of our school communities are listened to and taken into consideration.

We are aiming for the meeting to take place early September 2019.

Yours sincerely,

Sharon Flowers
Headteacher
