Meeting individual needs...to the best of our ability.

3rd March, 2020

Dear Parents,

With regards to the Coronavirus; as a school we follow all the advice given by the DfE. The latest advice can be accessed via a link on our home page - bramingham.net

As a school, I am aware that some of you would like to send your children in with hand gel. Although hand washing with soap is the recommended method if you would **still** like to send in gel please could you ensure your child knows how to use it safely, that the gel is named, and placed in a clear plastic bag. Your children will be encouraged to use it after any coughs, sneezes, before lunch, after the toilet etc. It will then be returned to you at the end of each day. You will then have the choice whether you administer it again after the school day.

If your child goes to After School Club they will be able to make use of it there too. For the majority of children they will be encouraged to make full use of soap and water, and, as you will know, follow the guidance of washing their hands correctly for 20 seconds.

Please make yourself aware of the countries/towns etc where the virus is spreading, maps can be seen on the website link.

As we receive further guidance this will be shared with you.

Yours Sincerely,

Sharon Flowers
Headteacher
