Meeting individual needs...to the best of our ability.

23rd April, 2019

Dear Parents of Squirrels Grey,

During the Spring Term we are inviting all parents to spend a half-day session in their child's class.

This will give you the opportunity to work alongside your child. You will be able to observe the teaching and learning styles, look at the resources used and understand the level of work your child is achieving. These visits are not a time to engage the staff in long discussion but obviously if there are issues you need clarified they will be only too happy to help.

The half day visit is to enable you to gain better understanding of the work the children do and the ways in which they learn.

Parent visits for **Squirrels Grey are week commencing Monday 20th May, 2019.**

Would you please complete the slip below indicating which morning or afternoon you would like to take up this opportunity, please indicate two or three alternatives. If for any reason it is impossible for you to visit during this week will you make direct contact with your child's teacher and make an alternative arrangement. We do hope that all parents will be able to spend time in school.

May we kindly remind you not to use the school car park on these visits and to switch your mobile phone off or select silent mode whilst in the classroom, thank you.

Yours sincerely,

Sharon Flowers
Headteacher
