*Meeting individual needs...to the best of our ability.*

Thursday 5<sup>th</sup> September 2019

Dear Parents,

This is a reminder from the letter sent out last academic year. We are holding a High School application information session on **Tuesday 10<sup>th</sup> September @9.00am** in the Family Room. In the next few days you will receive your application pack for High Schools. Closing date for applications is 31<sup>st</sup> October 2019.

As Family Workers we understand the need for information and clarity with such an important decision. With this in mind we hold an information session on the process of applying, what the choices you have mean, and applying for academies and out of area schools.

We are aware that due to work or family commitments some parents may not be able to attend. In previous years an evening session has been offered but there has been no uptake. However, should you be unable to make the session but would like more information please contact us.

The application process is completed online and you are able to change your preferences as many times as you wish online provided you submit each time. All the details for the schools in Luton are online along with their admissions policies and open evening dates. Planning ahead is essential as the most popular schools often clash on their open evening dates. It is important to submit applications on time as the allocation of a place will be delayed if it is not submitted on time.

We look forward to seeing you in September at the session above and embarking on the next step out of Bramingham and beyond!

Miss Legg and Mrs Altaf.
