Dear Parents/Guardians,

The school kitchen are delighted to inform you that in future we will be using the new Tucasi Communications module to send emails and SMS (text) messages about school dinners. This has previously been sent from the school office.

This system will enable us to communicate with you quickly and easily for correspondence.

We will communicate with you via Tucasi using the email address and mobile phone number (1<sup>st</sup> contact) which you have provided to the school previously. Please let the school office know if there have been any recent changes.

If you have any queries regarding school dinners, please contact the kitchen on 01582 562945.

The school office will send a courtesy text to notify you all, once the system is operating.

Yours sincerely,

School Kitchen
