

## May 2021 Newsletter

### Headteachers' Message

We have had a very busy term and the children have all worked hard. They have thoroughly enjoyed running around our new track. Once again, we would like to thank you all for doing all that you can to keep yourselves and each other safe. We are grateful that everyone is still following our safety measures that we have in place. Despite infection rates decreasing, we do not want to become complacent as we are aware that some positive cases are being identified in the local area. Please notify the school of a positive test result and do not send your children to school if they are unwell. Please notify us of any positive Covid-19 cases during the half term on headteacher@bramingham.net.

With the lifting of some restrictions nationally, there are very few changes that schools can currently make. We are currently operating in class 'bubbles' (except Squirrels) and will continue to review our measures and risk assessment.

We hope that you all have a lovely half term break.

### Well Done Robins!

Robins had most children walking to school for the week. They were closely followed by Magpies,

Grey Squirrels and Doves. It would be wonderful to see everyone continuing to walk to and from school.

### Paralympian Support

Hannah Cockroft - Paralympic gold medalist - has sent Bramingham a message congratulating us on our track. The video can be seen via a link on the school website. The children are loving their time on the track.

**Free School Meals**

If your child is entitled to free school meals, you will receive a £15 voucher to support over half term.

Are you entitled?

### School trips

Next half term, all being well, we are exploring the possibility of resuming trips for year groups. More information to follow after half term.

### Diary Dates

**Monday 7th June** - Children return to school

**Wednesday 30th June**—New intake meeting

**Tuesday 6th & Wednesday 7th July** - Children meet new teachers

**Friday 16th July** - Last day of term

**Thursday 2nd September** - Children return to school

Using our Covid Catch-up funding, we have purchased two more years of Doodle. Please encourage your children to use this app daily, where possible, or three times a week as a minimum. We are also pleased that so many children are using their CPG books and bringing them back into school.

**Vacancy** - We are keen to recruit a Lettings Officer to support the school in providing an outstanding service to the community. Currently, we require an enthusiastic and committed person to meet and greet our regular hirers on Saturday, Sunday and at least one evening each week. Flexibility will be essential. The post is a minimum of 5 hours per week. If you would like to apply to join our team, please visit My New Term for more information.
