Meeting individual needs...to the best of our ability.

2nd October, 2019

Dear Parents,

Over the next two weeks we will be collecting dry and tinned foods to go to the Luton Foodbank, which supports local families in need.

In previous years we have only collected dry tinned foods but after visiting the Foodbank headquarters last year, we discovered that the charity also accepts donations of nappies, toiletries, sanitary towels and tampons and even pet food, as these are things that many families struggle to afford.

The School Council has decided to set up a competition to see which class can bring in the most donations, the winning class to have a special treat (yet to be decided). Each class will therefore have a box for donations, which will be counted and collected by the councillors to display in our front entrance hall. We are hoping to arrange for the charity to collect our donations in the week following our Harvest Assembly, which we will be celebrating on the 15th October. We hope you will be able to support us; any donation will be very gratefully received.

Ideas for donation:

Tinned fruit, vegetable or soups.

Dried pasta or rice.

Tea or coffee.

Sanitary towels and tampons.

Thank you from the Bramingham School Council Chairs
