Meeting individual needs...to the best of our ability.

6th May, 2020

Dear Parents,

Firstly, I hope you are all keeping well.

I would like to give you an update regarding your child's end of year residential trip to PGL Little Canada. As I am sure you are all aware, your child was due to visit PGL from Friday 15th May – Monday 18th May. Due to the current situation, the trip has unfortunately been cancelled, beyond our control.

I am greatly saddened to hear that we are unable to visit PGL this year, as the trip would have been an amazing experience for your child and helped mark the end of their time at Bramingham. However, as I am sure you can understand, the decision that has been made, is for the health and safety of us all, during these difficult times.

PGL has recently stated that **'the current advice from the UK Government means your group will be unable to travel, which has unfortunately resulted in the cancellation of your trip. A statement of account will follow shortly and in accordance with our standard terms and conditions any refunds due will be paid back to you'**. We are currently liaising with PGL and travel companies regarding refunds. We will notify you with further details, once this has all been confirmed.

I hope that you all continue to stay safe and we will keep you updated, once everything has been confirmed.

I hope to see you all very soon.

Yours sincerely,

Mrs Flowers
