MEETING INDIVIDUAL NEEDS... TO THE BEST OF OUR ABILITY

Dear Parents,

Bramingham Primary School needs your help!

We would be very grateful if you could take a look at both pages of this letter and consider how you might be able to help. Some of the things below are being organised by The Friends of Bramingham Primary School and others are being organised by the school.

Friends of Bramingham Clothes Collection - Thursday 26th November

After a successful collection last year, raising over £400, The Friends of Bramingham have arranged another collection date. Please take a look at the list of things that are accepted below. If you have any of the below that you no longer need, please save it for us. Due to lack of storage space, we will **not** be able to accept anything before Wednesday 25th November. More details to follow!

We accept:

- ✓ Adults and children's clothing
- ✓ Paired Shoes
- ✓ Fashion accessories
- ✓ Handbags, Belts, Hats
- ✓ Jewellery, Perfumes

We don't accept:

- ✗ Uniforms
- ✗ Toys, Books, DVD's
- ✗ Duvets, Pillows, Household linen
- ✗ Carpets, Blankets, Curtains
- ✗ Bric-a-Brac
- ✗ Dirty, Damaged, Wet Clothing, unsuitable for reuse.

Friends of Bramingham Second Hand Uniform Shop

The Friends of Bramingham are looking into starting a second hand uniform shop. If you have uniform you no longer need, in good condition, please pass to your child's class teacher in a bag.

Friends of Bramingham Primary School Need You!

The Friends of Bramingham Primary School need you! We have a great core committee, who over the years have put on many events. They have raised money for Doodle, playground markings, sports equipment, reading books, outdoor play equipment, the field PA system, the school minibus and many more things that support giving our children an enhanced educational experience. This year is a little bit different. There are less events we can run in a Covid safe way, but Secret Shop will be happening and we look to arrange a family event on Teams in 2021. The Friends have, for the time being, increased their focus on Fundraising. Are you able to help at events? Would you like to join the committee? Do you have fundraising ideas? Do you have experience writing fundraising bids? We'd love to hear from you!

Reading books

We are in need of some more reading books. Due to Coronavirus procedures, our reading books currently have to be quarantined for 72 hours before they can go home with a different child. We have a shortage of books in KS2. We desperately need more chapter books for our tan and navy sections of the reading scheme (appropriate for primary children). If you have any books at home that your children have finished with and are still in reasonable condition, please hand them to your class teacher in a bag. Mrs Glass will be over the moon to receive them!

Harvest Food Collection

It's time to pass on that tin of peas you bought on at the start of lockdown!

Over the next 2 weeks, your children will be learning about Harvest Festival in school. The children will be making links to the values we have focused on this term (unity, responsibility and being healthy). We will be considering why access to food is so essential to being healthy and the responsibility we have to work in unity, both in school and with external agencies, to help other people.

We are working with Luton Food Bank this year. Over the next two weeks, we would encourage you to send in what you can afford, in order to help another family have a healthy meal.

Thank you!

Battery Recycling Service

Did you know that Bramingham Primary School offers a battery recycling service? Your batteries no longer need to sit in your house, waiting for you to visit a recycling centre! Send them into school with your child. Mr Essam has a big battery bin they can go in!

Social Media

The school Facebook page has become far more active this term. 'Like it' now to keep up to date with what is going on in school!

<https://www.facebook.com/bramingham>

We also have an Instagram that has just been opened

https://www.instagram.com/bramingham_primary/

We thank you for your ongoing support and hope that you will be able to help in some way, with one or more of the above.

Helen Bassett

Community Lead - Bramingham Primary School
